EXHIBIT A

UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA

**If you paid a fee to LinkedIn for a premium subscription
at any time between March 15, 2006 and June 7, 2012,
a class action settlement may affect your rights.**

A Federal Court authorized this Notice. You are not being sued. This is not a solicitation from a lawyer.

- A settlement has been reached in a class action lawsuit against LinkedIn, which operates a professional networking service (website at www.linkedin.com). The class action lawsuit involves claims that LinkedIn did not adequately protect the passwords and personal information of the users of its premium services.
- You are included if you are an individual or entity in the United States who paid a fee to LinkedIn for a premium subscription at any time between March 15, 2006 and June 7, 2012.
- If you are included in the settlement and can attest that you were influenced by LinkedIn's statements in its User Agreement or Privacy Policy about its security when you signed up for a LinkedIn premium subscription, you are eligible to submit a claim for up to \$50 from a \$1,250,000 Settlement Fund, after payment of the costs of administering the settlement and any award of reasonable attorneys' fees and expenses and plaintiff's incentive award approved by the Court.
- Please read this Notice carefully. Your legal rights are affected whether you act, or don't act.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT		
SUBMIT A CLAIM FORM	The only way to receive a payment.	Deadline: May 2, 2015
EXCLUDE YOURSELF	You will receive no payment, but you will retain any rights you currently have to sue LinkedIn about the claims in this case.	Deadline: April 13, 2015

These rights and options—and the deadlines to exercise them—are explained in this Notice.

The Court in charge of this case still has to decide whether to approve the settlement. Payments will be provided only after any issues with the settlement are resolved. Please be patient.

BASIC INFORMATION

1. Why was this Notice issued?

A Court authorized this Notice to let you know about a proposed settlement with LinkedIn Corporation. You have legal rights and options that you may act on before the Court decides whether to approve the proposed settlement. This Notice explains the lawsuit, the settlement, and your legal rights.

Judge Edward J. Davila of the U.S. District Court for the Northern District of California is overseeing this class action. The case is known as *In re LinkedIn User Privacy Litigation*, Case No. 12-cv-03088-EJD. The person who sued is called the "Plaintiff." The company they sued, LinkedIn Corporation, is called the "Defendant."

2. What is a class action lawsuit?

In a class action, one or more people called "Class Representatives" sue on behalf of a group of people who have similar claims. Together, these people are called a "Class" or "Class Members." In a class action, the court resolves the issues for all Class Members, except for those who exclude themselves from the Class. After the parties reached an agreement to settle this case, the Court recognized it as a case that should be treated as a class action for settlement purposes.

THE CLAIMS IN THE LAWSUIT AND THE SETTLEMENT

3. What is this lawsuit about?

The lawsuit alleges that LinkedIn, which operates a professional networking service (website at www.linkedin.com), did not use industry-standard security, which Plaintiff alleges was promised in LinkedIn's User Agreement and Privacy Policy, to keep the passwords and personal information of users of its premium services secure. The lawsuit seeks damages for violation of California's unfair competition law. LinkedIn denies Plaintiff's claims of wrongdoing or liability against it, and asserts that its conduct in no way violated its User Agreement or Privacy Policy and was wholly lawful.

More information about the complaints in the lawsuit and LinkedIn's answer can be found in Section 21 of this document and in the "Court Documents" section of the settlement website at www.LinkedinClassActionSettlement.com.

4. Why is there a settlement?

The Court has not decided whether the Plaintiff or the Defendant should win this case. Instead, both sides agreed to a settlement. That way, they avoid the uncertainties and expenses associated with ongoing litigation, and Settlement Class Members will get compensation now rather than, if at all, years from now. The Class Representative and her attorneys ("Class Counsel") believe that the settlement is in the best interests of the Settlement Class Members.

WHO'S INCLUDED IN THE SETTLEMENT?

5. How do I know if I am in the Settlement Class?

The Court decided that this settlement includes a Settlement Class of all Persons in the United States who paid a fee to LinkedIn for a premium subscription at any time between March 15, 2006 and June 7, 2012." "Persons" include an "individual, corporation, partnership, limited partnership, limited liability partnership, limited liability company, association, joint stock company, estate, legal representative, trust, unincorporated association, and any business or legal entity and their spouses, heirs, predecessors, successors, representatives, or assigns."

THE SETTLEMENT BENEFITS

6. What does the Settlement Agreement provide?

Defendant has agreed to create a \$1,250,000 Settlement Fund. Class Members who were influenced by LinkedIn's statements in its User Agreement or Privacy Policy about its security when they signed up for LinkedIn premium subscriptions can submit a claim for up to \$50 from the Settlement Fund. In addition to paying for valid claims of Class Members, the Settlement Fund will be used to pay the costs to administer the settlement, any Court-ordered award to Class Counsel for reasonable fees and expenses, and any incentive award to the Class Representative. The amount each claimant will be paid depends upon the number of valid claims submitted.

If there is still money left in the Settlement Fund after providing payments to every Settlement Class Member with a valid claim, paying the costs to administer the settlement, the award of attorneys' fees and expenses, and any incentive award to the Class Representative, the remaining money will be donated to the following nonprofit organizations:

- Center for Democracy & Technology: Is a public interest organization that supports laws, corporate policies, and technology tools that protect the privacy rights of Internet users. The CDT focuses, in part, on cybersecurity and consumer privacy issues. For more information visit www.cdt.org.
- World Privacy Forum: Is a public interest organization dedicated to reimagining privacy in the digital era through research, education, and analysis. The WPF focuses on data breach, consumer privacy, digital privacy, cybersecurity, and encryption issues, among others. For more information visit www.worldprivacyforum.org.
- Carnegie Mellon CyLab Usable Privacy and Security Laboratory: Is a division of Carnegie Mellon University's CyLab, one of the largest university-based cybersecurity research and education centers in the country. The division brings together researchers working on a diverse set of projects related to understanding and improving the usability of privacy and security software and systems. For more information visit <http://cups.cs.cmu.edu>.

On the other hand, if the amount to be paid to each Class Member with a valid claim would be less than \$10, the Settlement Agreement may be revised.

In addition, LinkedIn has agreed to use "salting" and "hashing," or equivalent or greater forms of data security, for at least 5 years. Additional information about the settlement can be found in Section 21 of this document and in the Settlement Agreement located in the "Court Documents" Section of the settlement website.

HOW TO GET BENEFITS

7. How do I get benefits?

If you are a Class Member and you want to participate in the Settlement, you must complete and submit a truthful Claim Form by May 2, 2015. To submit a Claim Form online, go to www.LinkedinClassActionSettlement.com. To request a paper copy, call toll-free 1-877-790-2130.

8. When will I get my payment?

If you have submitted a valid and approved claim, you should receive a check or a direct deposit into a bank account from the settlement administrator within approximately 30-60 days after the settlement has been finally approved and/or after any appeals have been resolved in favor of the settlement. The hearing to consider the fairness of the settlement is scheduled for June 18, 2015. All checks will expire and become void 90 days after they are issued.

THE LAWYERS REPRESENTING YOU

9. Do I have a lawyer in this case?

Yes, the Court has appointed attorneys Jay Edelson, Rafey S. Balabanian, Ari J. Scharg, and J. Dominick Larry of Edelson PC as lead class counsel, and Laurence King, Linda Fong, and David Straite of Kaplan Fox & Kilsheimer LLP as liaison counsel to represent you and other Class Members. These attorneys are called "Class Counsel." Class Counsel can be reached by calling 1-866-354-3015. You will not be separately charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

10. How will the lawyers be paid?

Class Counsel will ask the Court for attorneys' fees and expenses of up to one-third (1/3) of the Settlement Fund. The Court will determine the proper amount of any attorneys' fees and expenses to award Class Counsel. The Court may award less than the amount requested.

Class Counsel will request a service award (also known as an "incentive" award) for the Class Representative of up to \$7,500 for her services as class representative and her efforts in bringing the Action. The Court will make the final decision as to the amount to be paid to the Class Representative. The Court may award less than the amount requested.

Class Counsel will file with the Court and post on the settlement website their request for attorneys' fees and expenses and request for an incentive award to the Class Representative two weeks before the objection deadline of April 13, 2015.

YOUR RIGHTS AND OPTIONS

11. What happens if I do nothing at all?

If you do nothing, you will receive no payment under the settlement, you will be in the Class, and, if the Court approves the settlement, you will also be bound by all orders and judgments of the Court. Also, unless you exclude yourself, you won't be able to start a lawsuit or be part of any other lawsuit against the Defendant for the claims being resolved by this settlement.

12. What happens if I ask to be excluded?

If you exclude yourself from the settlement, you can't claim any money or receive any benefits as a result of the settlement. You will keep your right to start your own lawsuit against Defendant for the same legal claims made in this lawsuit. You will not be legally bound by the Court's judgments related to the Settlement Class and Defendant in this class action.

13. How do I ask to be excluded?

You can ask to be excluded from the settlement. To do so, you must send a letter stating that you want to be excluded from the settlement in *In re LinkedIn User Privacy Litigation*, Case No. 12-cv-03088-EJD. Your letter must also include your name, address, email, the phone number, and your signature. You must mail your exclusion request no later than April 13, 2015, to:

LinkedIn Privacy Settlement Administrator
P.O. Box 40007, College Station, TX 77842-4007

You cannot exclude yourself by phone or email.

14. If I don't exclude myself, can I sue the Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue the Defendant for the claims being resolved by this Settlement Agreement.

15. If I exclude myself, can I get anything from this settlement?

No. If you exclude yourself, do not submit a Claim Form to ask for a payment.

16. How do I tell the Court I do not like the settlement?

If you do not exclude yourself from the Settlement Class, you can object to the settlement if you don't like any part of it. You can give reasons why you think the Court should deny approval by filing an objection. You can't ask the Court to order a larger settlement; the Court can only approve or deny the settlement. If the Court denies approval, no settlement payments will be sent out and the lawsuit will continue. If that is what you want to happen, you must object. The Court will consider your views. To object, no later than April 13, 2015, a letter containing your objection to the settlement must be filed in person at any location of the United States District Court for the Northern District of California or postmarked to the Court at:

Class Action Clerk
United States District Court for the Northern District of California
Robert F. Peckham Federal Building, 280 South 1st Street
San Jose, CA 95113

The objection must be in writing and include:

- (a) the case name *In re LinkedIn User Privacy Litigation*, Case No. 12-cv-03088-EJD;
- (b) your name, address, mail address, and contact phone number;
- (c) the specific grounds for the objection including citations to legal authority;
- (d) all documents or writings that you desire the Court to consider;
- (e) the name and contact information of any and all attorneys representing, advising, or assisting you in making the objection; and
- (f) your signature.

If, in addition to submitting a written objection to the Settlement, you wish to appear and be heard at the hearing on the fairness of the Settlement, you or your attorney must say so in your written objection. If you have an attorney, they must file your objection through the Court's Case Management/Electronic Case Filing (CM/ECF) system.

17. What's the difference between objecting and excluding myself from the settlement?

Objecting simply means telling the Court that you don't like something about the settlement. You can object only if you stay in the Settlement Class. Excluding yourself from the Settlement Class is telling the Court that you don't want to be part of the Settlement Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FAIRNESS HEARING**18. When and where will the Court hold a hearing on the fairness of the Settlement?**

A hearing has been set for June 18, 2015 at 9:00 a.m., before the Honorable Edward J. Davila at the United States District Court for the Northern District of California, Robert F. Peckham Federal Building, 280 South 1st Street, San Jose, CA 95113 in Courtroom 4, 5th Floor. At the hearing, the Court will hear any objections, and arguments concerning the fairness of the proposed settlement, including the amount requested by Class Counsel for attorneys' fees and expenses and an incentive award to the Class Representative.

Note: The date and time of the fairness hearing are subject to change by Court Order, but any changes will be posted at the settlement website, www.LinkedinClassActionSettlement.com or through the Court's Public Access to Court Electronic Records (PACER) system at <https://ecf.cand.uscourts.gov/>.

19. Do I have to come to the hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to come at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as your written objection was filed or mailed on time and meets the other criteria described in Section 16 above, the Court will consider it. You may also pay another lawyer to attend, but you don't have to.

20. May I speak at the hearing?

If you do not exclude yourself from the Settlement Class, you may ask the Court for permission to speak at the hearing concerning any part of the proposed settlement by asking to speak in your objection by following the instructions in Section 16 above.

GETTING MORE INFORMATION**21. Where can I get additional information?**

This Notice summarizes the proposed settlement. For the precise terms and conditions of the settlement, please see the Settlement Agreement available at www.LinkedinClassActionSettlement.com, by contacting Class Counsel at 1-866-354-3015, by accessing the Court docket in this case through the Court's PACER system at <https://ecf.cand.uscourts.gov/>, or by visiting the office of the Clerk of the Court for the United States District Court for the Northern District of California, Robert F. The lawsuit is pending before the Honorable Edward J. Davila in the United States District Court for the Northern District of California, San Jose Division. This letter is to advise you that on August 15, 2014, Plaintiff filed a Motion for Preliminary Approval of Class Action Settlement in connection with this class action lawsuit.

RE: LinkedIn User Privacy Litigation Case No. 12-CV-03088-EJD

Dear Settlement Administrator,

I wish to be removed from the above referenced litigation against LinkedIn. I **cannot** attest that I was influenced one way or the other by LinkedIn's statements in its User Agreement or Privacy Policy.

I don't appreciate being added as a Settlement Class Member for a dispute I have no clear understanding of. What does a potential security breach have to do with unfair competition? It's not clear from the email or the longer form of notice. I would have to pay a fee to register for Pacer to find out, and know who the Plaintiff was.

I wanted to mention that it was far too easy to jump on the settlement band wagon, but not so straight forward to exclude myself. How is it fair that we can "do nothing" and be added to collect our \$50 bucks, but have to jump through convoluted hoops to be excluded? Why is there no email exclusion option? How can I be certain I will be excluded? Will I be sent verification, will LinkedIn be sent verification? A PO Box doesn't allow for certified mail.

Lastly, unless LinkedIn has a clause in their user agreement / privacy policy that allowed the Plaintiff to access my information to identify me as a potential Class Member, the fact that it was provided, (via court order?) without my prior permission is, in itself, a violation of my privacy.

Should I sue the Plaintiff?

Best regards,

A handwritten signature in black ink that reads "Robin LoRé". The signature is stylized with a large, looped 'R' and a cursive 'LoRé'.

Dear the Settlement Administrator,

My name is Macy John, address is 2256 nw 81 ave Sunrise FL 33322. My Email is macy@sbproductions.net.

I am writing to OPT OUT of the case to extort LinkedIn. The case is User Privacy Litigation, Case No. 12-cv-03088-EJD.

I am also writing to complain about my name being included without my knowledge in a lawsuit I want NO part of. I want to know how to file a complaint against the attorneys who added me to a lawsuit, on having to waste my time in finding the proper address to opt out of this extortion lawsuit where I do not want to be bound by any courts decision on a lawsuit I did not seek to join. I had to read a long letter and could not easily find how to opt out of this extortion suit! This was a waste of my busy time and I do not appreciate being entangled in any legal matters I did not seek! I do not have a problem with LinkedIn's User agreement and I demand my name not ever be used to certify or be a part of a class that does not represent me.

Please reply if I can file a complaint against the attorneys who added me to this potential class.

Thank you,

Macy John

RE: LinkedIn User Privacy Litigation Case No. 12-CV-03088-EJD

Dear Settlement Administrator,

I wish to be removed from the above referenced litigation against LinkedIn. I **cannot** attest that I was influenced one way or the other by LinkedIn's statements in its User Agreement or Privacy Policy.

I don't appreciate being added as a Settlement Class Member for a dispute I have no clear understanding of. What does a potential security breach have to do with unfair competition? It's not clear from the email or the longer form of notice. I would have to pay a fee to register for Pacer to find out, and know who the Plaintiff was.

I wanted to mention that it was far too easy to jump on the settlement band wagon, but not so straight forward to exclude myself. How is it fair that we can "do nothing" and be added to collect our \$50 bucks, but have to jump through convoluted hoops to be excluded? Why is there no email exclusion option? How can I be certain I will be excluded? Will I be sent verification, will LinkedIn be sent verification? A PO Box doesn't allow for certified mail.

Lastly, unless LinkedIn has a clause in their user agreement / privacy policy that allowed the Plaintiff to access my information to identify me as a potential Class Member, the fact that it was provided, (via court order?) without my prior permission is, in itself, a violation of my privacy.

Should I sue the Plaintiff?

Best regards,

A handwritten signature in black ink that reads "Robin LoRé". The signature is stylized with a large, looped "R" and a cursive "LoRé".

Dear the Settlement Administrator,

My name is Macy John, address is 2256 nw 81 ave Sunrise FL 33322. My Email is macy@sbproductions.net.

I am writing to OPT OUT of the case to extort LinkedIn. The case is User Privacy Litigation, Case No. 12-cv-03088-EJD.

I am also writing to complain about my name being included without my knowledge in a lawsuit I want NO part of. I want to know how to file a complaint against the attorneys who added me to a lawsuit, on having to waste my time in finding the proper address to opt out of this extortion lawsuit where I do not want to be bound by any courts decision on a lawsuit I did not seek to join. I had to read a long letter and could not easily find how to opt out of this extortion suit! This was a waste of my busy time and I do not appreciate being entangled in any legal matters I did not seek! I do not have a problem with LinkedIn's User agreement and I demand my name not ever be used to certify or be a part of a class that does not represent me.

Please reply if I can file a complaint against the attorneys who added me to this potential class.

Thank you,

Macy John
